Serial No.

Irrespective of the person or persons to whom the Carts hereinbefore belong the management of ferries is vested in the several District Boards and has to be conducted accordance with the instructions conveyed in G.P No 911-19/Prog dated 19th May 1880

Y in the linked file.

2 One of the conditions to which the working of a ferry is subjected is that all Government articles should be ferried free of charge Vide (Condition V under para 3(b) of the above proceedings) Thus it is clear that Casks containing Govt arrack should be ferried free of charge during transit from one side of the ferry to the other

TOOT

3 But the ferry Contractors liability seems by virtue of this condition restricted to ferrying over the arrack casks and he will most probably be within his rights if he should refuse to ferry over free of charge, the bullocks & Carts employed for the Carriage of liquor from the manufacturing centres to the bonded warehouses

5 The exemption extends to Govt articles
